

Cáceres

FOR CHILDREN

“Child Friendly” City

Cáceres has had the distinction of being a “Child Friendly City” since 2010. The city has abundant green spaces for children to play and walk around in. El Cuartillo Park has games adapted to all abilities and has access for children with reduced mobility.

enjoy

Books and art. There are many activities to choose from

For young readers, the Public Library has an extensive children's section. The Cáceres Museum and the Helga de Alvear Foundation program have recreational and educational workshops for children.

shows and sport

The Grand Theatre and the "Multicines Cáceres" are in charge of shows and cinema. There are several public and private pools and a private sports complex, the "Perú Cáceres Wellness," with Padel courts, a gym, and indoor pools.
