Mens sana in corpore sano

The city of Cáceres facilitates the organization of sports activities in the city and its surroundings for its social, health, and leisure benefits. Its promotion of sports also makes Cáceres a benchmark for the practice of sport at regional, national, and international levels.

health

Spaces for sport and leisure

Sports centres and facilities are available to users. A sports city (with a National Centre for Sports Technology), complexes and tracks, stadiums and pavilions, circuits, swimming pools, gyms, and a golf course are among the places that boost sports activity in Cáceres.

vitality

Sports calendar

Competitions and sporting events put Cáceres on the map, such as the “Cáceres World Heritage” Half Marathon, or the Extremadura International Gymnastics. Cáceres has also been the venue for important competitions, such as the World Padel Tour or la Copa de S.M. El Rey Final Cup for football.
